MEMORANDUM FOR THE CHIEF OF NAVAL INTELLIGENCE
(Attention: OP-32K)

SUBJECT: Precision Bearings (Im-80)

1. It is requested that charts of specifications for defining precision bearings, in duplicate, be prepared and forwarded to this office as soon as possible.

25X1A9a00210002-1

2. [REDACTED] (Code 143 Extension 713) of CIA has informally discussed this project with Mr. Gillespie of the Bureau of Ships who apparently would be in position to provide these charts.
